Debbie Corbett & Vince Dalaimo have now opened their brand new shop front office in central London making them the 40th to do so in the TaxAssist Accountants network.

The shops are aimed at attracting the local small and medium sized business owner with a fresh, modern and stylish look. They have locations throughout the United Kingdom and cover all aspects of accounting and tax work. Twenty more shops are due to launch before the end of the year in new locations across the UK.

TaxAssist Accountants provides small businesses with expert advice tailored specifically to their needs, from the completion of end of year accounts and tax returns to payroll, VAT and bookkeeping. This is complimented by a wide range of additional services for small business clients, including debt recovery, independent financial advice and personnel (HR) services.

Reputation for Excellence

The shop front offices offer a friendly, prompt service with fixed fees agreed in advance. The fees can be paid in monthly instalments making cash flow easier to manage. This allows clients to concentrate on what they do best, with the assurance that their accountancy needs are being well looked after.

As part of a national network of over 150 offices, TaxAssist Accountants provides a friendly local service with the back-up of a national organisation to deal with every tax and accounts issue or query which may arise.
